

With 3 million motorists prosecuted for speeding last year, can you afford not to?

SAPPHIRE

GPS Speed Camera Detection System

Call 0800 389 2749 **RRP £199.95**

Over 3 million motorists were prosecuted for speeding last year so there has never been a more crucial time to purchase a Snooper GPS speed camera detector and the new Sapphire is the best yet. Including a full colour LCD display with a choice of 10 colour combinations, voice alerts and a high gloss black and chrome case Sapphire will effectively locate all 'Fixed' speed cameras including Gatso, Truvelo and Specs average speed motorway cameras, plus many more.

And remember, Sapphire uses Enigma, the most comprehensive and cost effective speed camera database available offering you the ability to download new camera data seconds after it has been recorded in our database. £4.95 a month or £99.95 for life. Plus includes up to 5 years extended warranty. Sapphire gets you there safely and in style!
